

**Eagle**  
Fleet Direct

# *Fact Sheet*

## **What is Eagle Fleet Direct®?**

Eagle Fleet Direct is the fleet product supplier to Dairy Lea Cooperative Inc., Dairy Farmers of America, Inc. and Dairy Marketing Services, LLC haulers. We provide products and services designed to reduce your operating expenses.

## **What programs and products does Eagle Fleet Direct offer?**

- Fuel Card Program that includes 24-hour support, centralized billing, accurate reporting and discounts at major fueling locations nationwide.
- National Account pricing from major tire manufacturers: Bridgestone Bandag Retreads, Bridgestone, Continental, General, Goodyear, Michelin and Yokohama.
- Repair parts for tractors and trailers.
- Full line of lubricants and fluids from brands like Exxon, Mobil, NOCO and Shell.
- Fasteners, maintenance and repair parts from Fastenal and Grainger.

## **How do I pay for my purchases?**

- Purchase items and have them deducted directly from your monthly hauler check, one simple deduction of all your expenses.
- When available, vendor cash discounts allow for additional savings.
- Fill out a credit application and have your payment terms structured to match your hauler check.

## **What is the cost of the program?**

All products are sold at cost. We add only a 1.5 percent administrative fee for fuel and a 3 percent administrative fee for all other products.
